**RE: Remailing of reply to office action**

To:  
Assistant Commissioner for Patents  
United States Patent and Trademark Office  
Washington, D.C. 20231

Sir:

In the above application, the applicant has previously sent a reply by US express mail on December 12, 2002 in reply to an office action sent on June 12, 2002.

The express mailing label for that mailing was ET667071892US.

A remailing of this reply is attached as the examiner has indicated that the original mailing has not been included in this application's file wrapper and may by now be lost.

I have also attached the tracking information for the original mailing as shown on the Postal Service Web site's tracking and confirmation page as proof of mailing. You can enter the mailing label number ET667071892US at <http://www.usps.com/shipping/trackandconfirm.htm>.

Thank you.

Very respectfully,

Applicant Derek Wong
